

October 16, 2017

CURRENT SCHEDULED ROAD MAINTENANCE PROJECTS:

Refresh page for current information

1. **Anza Road** is closed between Bowker Road and Barbara Worth Road due to the emergency closure of Anza Bridge.
2. **Barbara Worth Road** is closed between Carr Road and Anza Road due to the emergency closure of Anza Bridge.
3. **Cady Road** will be closed between Lack Road and Wieman Road until further notice. Closure is due to bridge damage. Use alternate route.
4. **Cooley Road** will be closed between south of Huston Road and Aten Road from October 16, 2017 until November 13, 2017 due to gas pipeline improvements. The bike lane will remain closed during this road closure. A detour will be posted.

Any questions concerning this closure should be directed to Adam Kalio of Southern California Gas Company at (213-503-3593).

5. **Slayton Road** will be closed between Thiesen Road and 9th Street (Holtville) on October 18, 2017 from 8:00 a.m. to 2:30 p.m. due to road improvements. Use alternate route.

EMERGENCY ROAD CLOSURES

- **Wilkins Road** will be closed between Beal Road and English Road until further notice, closure is due to storm. Use alternate route.
- **Wilkins Road** will be closed between English Road and Hobbs Road until further notice, closure is due to storm. Use alternate route.

- **Cuff Road** will be closed between Beal Road and Coachella Canal Road until further notice, closure is due to storm. Use alternate route.
- **Coachella Canal Road** will be closed between Drop 8 and Beal Road until further notice, closure is due to storm. Use alternate route.
- **Lack Road** will be closed between Bowles Road and Walker Road until further notice due to structural damage to the New River Bridge. Detour will be from Walker Road to Gentry Road, then to Bowles Road.
- **Farr Road** will be closed between Butters Road and Irvine Road starting September 9, 2017 for about 2 to 3 weeks due to flooding. Detour will be alternate routes.
- The United States Bureau of Reclamation (USBR) is requiring the closure of Anza Road Bridge. The bridge will be closed until further notice from the USBR. The public is advised to use alternate routes for the time being.

Any questions related to the closure should be directed to Doug Hendrix, USBR Public Affairs Office at (702) 293-8391.

- Maximum Load Weight Limit is NOT TO EXCEED 5 tons on **Bridge 0051, South Coyote Wash, on Evan Hewes Highway, approximately 3.4 miles east of the City of Ocotillo.**
