

August 16, 2017

CURRENT SCHEDULED ROAD MAINTENANCE PROJECTS:

Refresh page for current information

1. **Anza Road** is closed between Bowker Road and Barbara Worth Road due to the emergency closure of Anza Bridge.
2. **Barbara Worth Road** is closed between Carr Road and Anza Road due to the emergency closure of Anza Bridge.
3. **Cady Road** will be closed between Lack Road and Wieman Road until further notice. Closure is due to bridge damage. Use alternate route.
4. **Clark Road** will be closed between Willoughby Road and Wahl Road on August 15, 2017 and August 16, 2017 from 6:30 am until 2:00 pm due to Bridge Repair. Detour will be alternate routes.
5. **McCabe Road** will be closed between Pitzer Road and Dogwood Road from August 22, 2017 until August 24, 2017 from 6:30 am until 5:00 pm due to road repairs. Suggested detour is alternate routes.

EMERGENCY ROAD CLOSURES

- **Dogwood Road** at Carey Road will be experiencing shoulder work from July 31, 2017 until August 18, 2017 due to emergency repairs to a gas pipeline. All traffic lanes will remain open in this area, but caution is advised. Please expect delays.

Any questions related to this shoulder work should be directed to Doug Lydick of Southwest Contractors at (775) 771-5906

- **Lack Road** will be closed between Bowles Road and Walker Road until further notice due to structural damage to the New River Bridge. Detour will be from Walker Road to Gentry Road, then to Bowles Road.
- The United States Bureau of Reclamation (USBR) is requiring the closure of **Anza Road Bridge**. The bridge will be closed until further notice from the USBR. The public is advised to use alternate routes for the time being.

Any questions related to the closure should be directed to Doug Hendrix, USBR Public Affairs Office at (702) 293-8391.

- **Ross/Baseline Road** will be closed between Haughteline Road and Picacho Road until further notice due to an emergency bridge closure. A detour will be provided.
- Maximum Load Weight Limit is NOT TO EXCEED 5 tons on **Bridge 0051, South Coyote Wash, on Evan Hewes Highway, approximately 3.4 miles east of the City of Ocotillo.**
